---

1. The copyright to this article is transferred to the **Journal of Experimental Biology and Agricultural Sciences** and will be effective if and when the article is accepted for publication. The author(s) warrants that this work is original, has not been published earlier and is not currently under consideration for publication elsewhere and author(s) full right to make this grant.
2. The transfer of copyright gives **Journal of Experimental Biology and Agricultural Sciences** the right to re-use commercially or non-commercially of this article, as long as the original author and source are properly attributed. In connection with this assignment, the Author acknowledges that Journal of Experimental Biology and Agricultural Sciences will have the right to print, publish, create derivative works, and sell the work throughout the world, all rights in and to all revisions or versions or subsequent editions of the work in all languages and media throughout the world.

3. The author is requested to use the appropriate reference for the article. Articles disseminated via [www.jebas.org](http://www.jebas.org) are indexed, abstracted and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia. After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.
4. I, the undersigned corresponding author, also certify that I/we have no commercial associations (e.g., consultancies, stock ownership, equity interests, patent-licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of mine/ours are acknowledged in a footnote.
