

Kuldeep Dhama

Biography (Brief CV)

Dr. Kuldeep Dhama, M.V.Sc., Ph.D. (Gold Medalist), is working as Principal Scientist in the Division of Pathology, ICAR-Indian Veterinary Research Institute, Izatnagar, Uttar Pradesh, India. With 26 years of research and teaching experience in the areas of microbiology, immunology, virology, public health, medicine, and biomedicine as an eminent researcher, he has developed several diagnostics, vaccines, immunomodulatory modules, and hypotheses to counter infectious diseases of animals, poultry, and public health concerns. He has guided 18 PG/PhD students. He has to his credit 850 research publications, 07 books (including 02 in Springer Nature publications), and 65 book chapters. Dr. Dhama has been recognized as an extremely productive researcher in the journal *Nature*, and recently listed among Top 2% researchers of the world across all disciplines in science. He has also been recognized as amongst world's top 10 researchers by publishing more than 135 papers on COVID-19 in reputed journals. He has been honored with 55 Best Paper Awards and other high recognitions. He is NAAS (National Academy of Agricultural Science, India) Associate, Fellow-Royal Society of Medicine (FRSM), UK, and has worked as Nodal Officer, WTO, and Member, Wildlife Health Specialist Group (IUCN). He is actively serving as Editor-in-Chief, Co-EIC, Editor, Associate Editor, Guest Editor and Member, Editorial Board of nearly 15 scientific journals of repute, and active peer-reviewer in 50 reputed scientific Journals.

Editorial Expertise (20 Years- at National & International levels):

Editor-in-Chief (EIC)– Adv Anim Vet Sci., Co-EIC - J Exp Biol Agri Sci, J Pure Applied Microbiol.

Associate Editor- Journal of Advanced Research (JAR) (IF 10.45)

Member, Editorial Board: Vet. Quarterly, Vet Med Sci, J Anim Plant Sci, Open J Virol, IAD, JIIP, ROAVS, JPEH, and others).

Guest Editor: Eight (08) special issues of journals including CDM, VQ, IAD, JEBAS, IJP, AAVS, JPAM, HVI & Env Res

Peer-reviewer: Vaccine, Veterinary Quarterly, Biomedicine and Pharmacotherapy, Acta Tropica, Frontiers in Immunology, Frontiers in Microbiology, Frontiers in Pharmacology, Journal of Animal and Plant Science, BMC Genomics, BMC Vet Research, Transboundary and Emerging Diseases, Herbal Medicine, Science of Total Environment, Indian Journal of Biotechnology, Indian Journal of Experimental Biotechnology, Indian J of Microbiology, VirusDisease, Viruses, Diagnostics, Journal of Pure and Applied Microbiology, International Journal of Pharmacology, Comp Immunol Microbiol Infect Dis., Expert Review of Vaccines, Expert Opinion in Biological Therapeutics, Asian Pacific Journal of Tropical Medicine, Env Sci, Immunopharmacology, Int. Journal of Biol Macromolecules, Clinical Microbiology Reviews, Lancet Infectious Disease, The Lancet, EBioMedicine, EClinicalMedicine, The Lancet Regional Health – Americas, The Lancet Planetary Health, Nature Foods and other reputed journals, others.

Google scholar h-index: 67 (20,500 citations); Scopus h-index: 50 (10,300 citations).
