Scientific awards:

Recipient of first place for Scientific Research Prize literary club at Abha city in 1415 H, research title "merit productivity of grain crops and vegetables in traditional agriculture in the Asir region of Saudi Arabia."

Award of the University of King Saud for Excellence in Science - the best book written in the scientific and engineering disciplines for the academic year 2014/2015, about the book (economics of water resources and management - foundations and applications).

Overseeing the Masters Thesis in the Dep. of Agricultural Economics:

- 1-Economic Study of Transportation Efficiency of the local egg production in Saudi Arabia.
- 2-Management Efficiency projects chicken meat to the Central region, Saudi Arabia.
- 3-Optimal Guidance of Agricultural Loans and Subsidies Transferred from the Saudi Arabian Agricultural Bank of Specialized Agricultural Projects, the Central Region.
- 4-Econometric Analysis of the Impact of Government Intervention in Wheat Production, Saudi Arabia.
- 5-Economic Study of the Possibility of Minimizing the Costs of Food Imports, Saudi Arabia.
- 6-Economic Analysis of Import Demand for of Citrus in Saudi Arabia.
- 7-Measuring Marketing Efficiency for Tabouk Agricultural Development Company.
- 8-Economics of Farm Mechanization of the Main Cereal Crops in the Riyadh Region.
- 9-Marketing Services to Retail Outlets for Vegetables and Fruit in the City of Riyadh.
- 10-Effect Study of Inflation on the Agricultural Sector in Saudi Arabia.
- 11-Economic Analysis of Exports from Saudi Arabia Dates and Potatoes.
- 12-Regional Agricultural Market Integration in Saudi Arabia.

Participation in conferences, symposia and other aspects of activity:

- 1-Symposium investment opportunities in the food industry, held in Saudi advisory services in 25/11/1411 H, CITY Riyadh.
- 2-Saudi symposium for food held in the college of Agriculture-King Saud University-Riyadh, in the period from 6 - 4 /6/1411 H.
- 3-Saudi Arabia, the first scientific symposium for agriculture in green houses in the college of Agriculture, King Saud University, Riyadh, in the period from 22-24/8/1412 H.
- 4-annual meetings of the Economic Society held in prison Saudi King Saud University, Riyadh.
- 5-symposium studies of desert in Saudi Arabia "and the fact application), King Saud University, Riyadh from 27-29 /4/1415 H.
- 6-Saudi symposium second of food and nutrition, King Saud University, Riyadh from 7 - 4 /6/1415 H.

- 7- meetings held in Riyadh Chamber of Commerce and Industry.
- 8- meetings held at King Abdul-Aziz City for Science and Technology.
- 9-Saudi Fourth Conference of food and nutrition in the period 19-21/11/1427 H, participation research entitled "price changes for some crops of vegetables and fruits after the accession of Saudi Arabia to the World Trade Organization."
- 10-19th meeting of the Society of Agricultural Sciences in the city of Tabuk 18/4/1427 H, participation research entitled "related technical post harvest with marketing of agricultural and economic resources losses in Saudi Arabia."
- 11-19th meeting of the Society of Agricultural Sciences in the city of ALHafof in 15/11/1427 H ,participation research entitled "Global demand for the exports of Saudi dates."
- 12-palm fourth symposium in Saudi Arabia in the city of ALHAFOF from 18/4/1428 H, participation research entitled "agricultural marketing in Saudi Arabia: reality and the difficulties and solutions."
- 13-V meeting of Agricultural Marketing (privatization contracts --globalization) in the Chamber of Commerce and Industry in Riyadh 19/3/1428 H, participation working paper.

The other activity:

- 1-lead the sports Committee at the college from 1414/1415 H and to 1415/1416 H.
- 2-Rapporteur of the Committee on Academic Guidance Section from 1414 e / e 1415.
- 3-member Commission guidance academic faculty from 1414/1415 H and to date.
- 4-member committee to coordinate ongoing research section from 1413/1414 H and to date.
- 5-Rapporteur of the Commission on the follow-up scholarships and excelling from 1413/1414 H and to date.
- 6-Rapporteur of the Commission on field training section for the years 1411 / 1412 - 1412/1413 H.
- 7-overseeing academic year to prepare students and specialization and graduate studies.
- 8-Rapporteur of the Commission on textbooks 1424 H.
- 9-member of the Evaluation Committee and the academic accreditation and e 1427 H to date.
